

***"There is no greater Joy in "Life"
than having intimate conversation and companionship with Me,"***
says the Lord.

Come, let us reason together; meditate on all I say,
-- not just to draw your own conclusions --
but absorb My bigger picture for your life.

Come, listen to Me singing over you --- I LOVE you ---
I shower you today with My LOVE ---

so you have something to pass on --- pass My love as you go.

Now the way may seem long, but it is not one inch too long.

***Not only am I with you on the journey ---
but I planned your life's' journey.***

I am always with you to guide and help you.

Come away with Me;
leave your fears, stress, guilt, and life stuff behind
and put your trust in Me.

Come Trust Me. I **can** not --- I **will not** fail you.
Take rest in this truth ---

"Be Still and Know that I Am God and I Love you."

Quiet every anxious thought ---
Listen --
Hear My Love singing over you today.

Now go in My Love Power. My Plan is waiting for YOU to accomplish."

*I will instruct you and teach you in the way you are to go.
I will guide you with My Eye. PSALM 32:8*
